

DON PICKETT & ASSOCIATES, INC.

DEVELOP ▪ DESIGN ▪ BUILD

Don Pickett & Associates is looking for a licensed Architect or high-level Project manager/Drafting Technician (Fresno, CA)

Are you looking for an opportunity to join a professional team that still has that family atmosphere? Sharing your passion for building while providing challenging, fulfilling work that puts your skills and experience to work?

Serving the Central Valley since 1988, Don Pickett & Associates is a design-build contractor specializing in the construction of commercial buildings and commercial solar. We are passionate about providing well thought out, high quality projects and building long term relationships with our clients, trade partners, and community.

Qualifications we are looking for:

- Experience in architectural design
- Knowledge of the building code
- AutoCAD and Revit experience is a must have
- Experience designing and permitting construction ready documents
- Experience in planning and entitlement is a plus
- Proficiency in Adobe, MS Outlook, Excel, and Word
- Excellent organization, attention to detail, and prioritization skills
- Great communicator and team player
- Character

Responsibilities will include:

- Meeting with potential clients to develop concept plans
- Design and produce permit plans, ready to submit
- Work with building officials to secure permits and entitlements
- Coordinate with in-house staff and sub-contractors during the construction process
- Read and review in-house plans for conflicts/errors

Please reply to this ad with your resume including list of work history, projects, and professional references. Qualified applicants will be contacted immediately.
